By Signing I have understood and accepted the following integral terms and conditions:-

1. I have read through and accept the Risk Disclosure Statement attached herewith.
2. FATS signals generation is based on factual inputs and information from the market and are not deemed as financial advices.
3. I accept that FX1GH owns, operates or provides the information service that comprises the FATS signals through an electronic broadcasting and telecommunications medium, where:-
 - a) The service is based on information available to the public in Singapore, Malaysia, China, Indonesia, Philippines, Thailand, India and other countries in the East Asian region
 - b) Any advice given, or analysis report issued or promulgated, is given, issued or promulgated through that service
 - c) FX1GH receive no commission or other consideration from me, apart from fee received from subscription to the service by FX1GH
 - d) The advice is given, or the analysis or report is issued or promulgated, solely as incidental to FX1GH's ownership, operation or provision of the FATS service
4. I have to register my broking account/s with the working Brokers of FX1GH and approval of the broking account/s is solely the discretion of the Broker and FX1GH has no right or say to the final decision made by the Broker.
5. Minimum amount for FATS account for API (Application Programming Interface) is USD5000.
6. There is a monthly service fee for the use of the software which is described in the fee acknowledgement form upon opening broking account/s with the working Brokers and FX1GH reserves the right to change and amend the service fees as they deemed fit and necessary.
7. I have full control over my account in withdrawing of funds from my account.
8. Usage of this software is of my own freewill and I take full responsibility for the use of the software.
9. I shall indemnify FX1GH from any claim, liability, action, loss, damage or suit arising from the use of the software.
